Y3 and Y4 Girls Football Team

Y3 and Y4 Girls Football Team went to the Doncaster Football Semi Final at Balby Carr Sports Academy on the 22nd September 2015.

Most of the team have only been playing football in curricular PE for four weeks. However this did not deter the girls, as when competing against other Doncaster girls football teams they exceeded my expectations, by coming FIRST place. This took them to the Doncaster Finals, once again the girls played brilliantly and came 4th place out of thirty Doncaster schools who took part in the competition.

Well done girls we are so proud of you all for demonstrating fantastic football skills and great team spirit for your school.

Y5 AND Y6 Girls Football Team

This team played the best football games of the night. Most of the competition organisers came to watch them and stated what a good team they are and how well they supported each other during matches. They were the first to instigate hand shaking with their opponents at the end of each match. Fantastic team spirit took them to the Doncaster Finals whereby they came 4th place in this competition out of seventy Doncaster school who took part in the competition.
